Performance Series

Features Crystal Cube Connectors

LZ-1000

Kingwin LZ-1000, the top performance model with our unique crystal cube modular connectors, has a 3-Way LED switch and a 140 x 140mm silent fan. This unit has received 80plus bronze certification and is able to deliver full punching power for your system. The advanced features in the Lazer series are unlike any others. To begin your ultimate gaming experience, start with Lazer.

Specifications

Frequency range:	50~60Hz
Efficiency:	Up to 87%
80 Plus Certified:	Bronze
Unit dimension:	7 1/16"(180 mm) D X 5 7/8"(150 mm) W X 3 5/16"(86 mm)H
Unit weight:	9 lbs (4083g) / unit
MTBF:	100,000 hours
Fan size:	140 x 140 mm Fan
Warranty:	3 Years

Features

- Special patented cable management system
- Crystal cube modular connectors
- LED connector indicators ensure correct installation
- 3 - Way LED switch: White LED / Blue LED / Off
- Universal modular connector concept
- More than 2,000 times On/Off test
- Full range design from 100V~250V (Active PFC)
- Comply with Intel ATX/BTX standard
- Three PCI express connectors 6 pin
- Three PCI express connectors 8 pin (6 +2 Pin)
- Eight SATA connectors
- Six 12V rails
- Support Intel Core i7 / Core 2 Quad / Core 2 Duo
- Support AMD Phenom X4 / Phenom X3 / Athlon 64 X 2
- Support High Performance Nvidia SLI GPU
- Output gold-coated connector
- Output over / under voltage protection
- Black coating finish
- Intelligent auto fan-speed control
- Compatible with Crossfire/SLI/3 Way SLI
